## By Eric Weiner

From the author of the critically acclaimed **\*\*The Geography of Bliss\*\***, **\*\*Borrowed Love\*\*** is a thought-provoking and deeply personal exploration of the world's great pilgrimages, and the transformative power of travel.

Eric Weiner has always been drawn to the idea of pilgrimage. As a child, he was fascinated by the stories of pilgrims traveling to distant lands in search of something more. As an adult, he has made his own pilgrimages to some of the world's most sacred sites, including the Ganges River in India, the Camino de Santiago in Spain, and the Western Wall in Jerusalem.

In **\*\*Borrowed Love\*\***, Weiner shares his experiences of these pilgrimages, and explores the history, culture, and meaning of pilgrimage itself. He argues that pilgrimage is not just about visiting a holy site, but about a journey of self-discovery and transformation.

**\*\*Borrowed Love\*\*** is a beautifully written and thought-provoking book that will appeal to anyone who has ever wondered about the meaning of life, or who has ever felt the pull of wanderlust.
