With captivating storytelling and stunning imagery, Chasing Space Young Readers Edition will ignite your child's imagination and inspire them to reach for the stars. It's the perfect to the wonders of space and the boundless possibilities that lie beyond the Earth's atmosphere.

## Meet Leland Melvin, the Real-Life Rocket Man

Leland Melvin is more than just an astronaut; he's a role model, a mentor, and a passionate advocate for science, technology, engineering, and mathematics (STEM). His journey will resonate with young readers, showing them that anything is possible with determination, curiosity, and a thirst for knowledge.

In *Chasing Space Young Readers Edition*, Leland shares the challenges and triumphs he faced along his path to NASA. He'll introduce your child to the amazing people who supported him, including his family, teachers, and fellow astronauts.

### **Explore the Wonders of Space**

From the International Space Station to the vast expanse of the Milky Way, Leland Melvin will take your child on an unforgettable exploration of space. They'll learn about the science of rocketry, the beauty of our solar system, and the mysteries that still lie ahead.

Through stunning photographs and engaging infographics, *Chasing Space Young Readers Edition* brings the wonders of the universe to life. Your child will marvel at the Earth from above, witness astronauts conducting experiments in zero gravity, and gain a deeper understanding of the cosmos.

### **Foster a Love of Science and Curiosity**

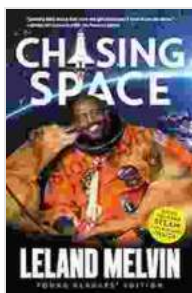

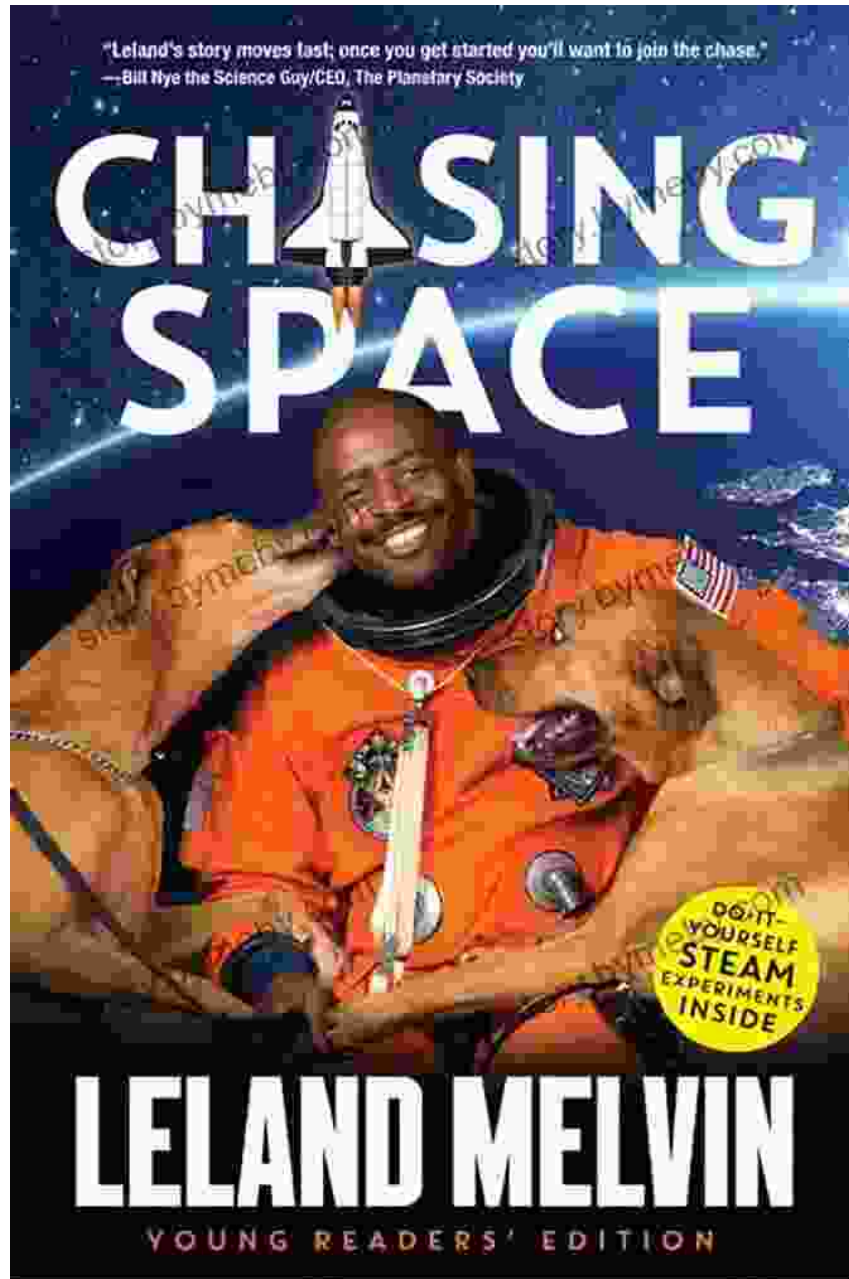

*Chasing Space Young Readers Edition* is not just an adventure story; it's an opportunity to cultivate a love of science and curiosity in your child. Leland Melvin's journey is a testament to the power of education and perseverance.

The book is filled with interactive elements that encourage critical thinking, problem-solving, and a desire to learn more about the world around us. It's the perfect resource for parents, teachers, and anyone who wants to inspire the next generation of scientists, engineers, and astronauts.

**Free Download Your Copy Today!**

Give the gift of adventure, inspiration, and scientific discovery with Chasing Space Young Readers Edition. Free Download your copy today and embark on an unforgettable journey to the stars with Leland Melvin.

This gripping and educational book is perfect for children ages 8-12. It's available in hardcover, paperback, and e-book formats.
