

# China From the Bottom Up: A Journey Through the Middle Kingdom

China has experienced remarkable economic growth in recent decades, lifting millions of people out of poverty. However, this growth has also created new challenges, including income inequality, environmental pollution, and social unrest.

In *China From the Bottom Up*, acclaimed journalist John Gittings takes readers on a journey through the Middle Kingdom, exploring the country's complex social and economic landscape. Gittings travels from the bustling metropolis of Shanghai to the remote villages of rural China, meeting with people from all walks of life to gain a firsthand understanding of the challenges and opportunities facing the country.

Gittings's book is a vivid and nuanced portrait of a country in transition. He writes with empathy and insight, shedding light on the human stories behind the headlines. *China From the Bottom Up* is a must-read for anyone who wants to understand the world's most populous country.
