A gripping and inspiring novel about breaking free from toxic relationships

Dealbreaker: The Bounceback Beckett is a powerful and moving novel that tells the story of a woman who breaks free from a toxic relationship and finds the strength to rebuild her life. This inspiring story will resonate with anyone who has ever been in a difficult relationship and will provide them with the hope and motivation to make a change.

Beckett is a successful businesswoman who has it all—a great job, a beautiful home, and a loving family. But behind closed doors, she is living in a nightmare. Her husband, Alex, is emotionally abusive and controlling. He constantly belittles her, isolates her from her friends and family, and makes her feel like she is worthless.

Beckett knows that she needs to leave her relationship, but she is terrified of what will happen if she does. She is afraid of being alone, of losing her home, and of Alex hurting her. But one day, she finally reaches her breaking point. She packs her bags and leaves Alex for good.

Beckett's journey to recovery is not easy. She struggles with depression, anxiety, and PTSD. She also has to deal with the stigma of being a survivor

of domestic violence. But with the help of her therapist, her friends and family, and her own inner strength, Beckett slowly begins to heal.

Dealbreaker: The Bounceback Beckett is a story of hope, healing, and empowerment. It is a story that will inspire you to believe that you can break free from a toxic relationship and rebuild your life.
