Goin's parents were both passionate about food. Her father was a chef and her mother was a food writer. Goin grew up surrounded by delicious food and she quickly developed a love of cooking.

In Growing Up At The Table, Goin shares her memories of growing up in a food-loving family. She writes about the family's weekly trips to the farmer's market, the Sunday family dinners, and the special meals that her parents would prepare for her.

Goin's writing is warm and inviting, and her memoir is full of vivid descriptions of food and family life. *Growing Up At The Table* is a celebration of the power of food to bring people together and create lasting memories.

The book is also a valuable resource for home cooks. Goin includes recipes for some of her favorite dishes, including her grandmother's famous chocolate cake.

If you are a fan of food, family, or memoirs, then I highly recommend *Growing Up At The Table*. It is a beautifully written and inspiring book that will leave you hungry for more.

Reviews

"*Growing Up At The Table* is a beautifully written and inspiring memoir about the power of food to bring people together and create lasting memories. Suzanne Goin's writing is warm and inviting, and her descriptions of food and family life are simply mouthwatering. This book is a must-read for anyone who loves food, family, or memoirs." - The New York Times Book Review
