## **An Interview with Kirsten Mayer**

Q: What inspired you to write Hop Chicks Versus Bunnies?

A: I was inspired to write Hop Chicks Versus Bunnies by my own experiences as a woman who loves craft beer. I've always been passionate about beer, but I've often felt like an outsider in the male-dominated beer world. I wanted to write a book that celebrated female friendship and the power of beer to bring people together.

Q: What do you hope readers will take away from your book?

A: I hope readers will take away from my book a sense of the importance of female friendship and the power of beer to bring people together. I also hope they'll be inspired to follow their dreams, no matter how crazy they may seem.
