Have you ever wondered what it would be like to be able to track an animal through the wilderness? To know where it's been, where it's going, and what it's doing? With the right knowledge and skills, you can learn to do just that.

This book will teach you everything you need to know about animal tracking, from the basics of reading animal tracks and signs to the advanced techniques used by professional trackers. You'll learn how to:

- Identify animal tracks and signs
- Follow animal trails
- Determine the age, sex, and size of an animal
- Track animals in different habitats
- Use tracking to find game, avoid predators, and survive in the wilderness

Whether you're a hunter, a hiker, a camper, or just someone who loves the outdoors, this book will give you the skills you need to connect with the natural world in a whole new way.

About the Author

John Wiseman is a professional tracker and wilderness survival expert. He has taught animal tracking and survival skills to thousands of people around the world. He is the author of several books on tracking and survival, including the best-selling book *How to Stay Alive in the Woods*.

Praise for *How to Identify and Trail Any Animal, Anywhere*

"This book is a must-read for anyone who wants to learn how to track animals. John Wiseman is a master tracker, and he shares his knowledge in a clear and concise way. This book will help you become a better hunter, hiker, camper, and naturalist." - **Dave Canterbury, author of *Bushcraft 101***

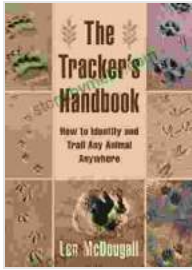

"John Wiseman's book is the most comprehensive guide to animal tracking that I have ever read. It is packed with information on how to identify animal tracks and signs, follow animal trails, and determine the age, sex, and size of an animal. This book is a valuable resource for anyone who loves the outdoors." - **Tom Brown Jr., author of *The Tracker***

"John Wiseman is one of the world's leading experts on animal tracking. His book is the definitive guide to this fascinating subject." - **James Kavanagh, editor of *Outdoor Life* magazine**
