The Tian Trilogy is a LitRPG novel, which means that it incorporates elements of role-playing games into the story. This includes character stats, skill trees, and loot drops. However, the trilogy also has a strong focus on cultivation, which is the process of training one's body and mind to achieve greater power.

The main character of the trilogy is a young man named Lin Feng. Lin Feng is a talented martial artist, but he is also a troubled soul. He has a dark past that he is trying to escape, and he is constantly haunted by the memories of his loved ones who have died.

When Lin Feng is killed in an accident, he is reincarnated into the world of Tian. Tian is a world of cultivation and martial arts, and Lin Feng quickly discovers that he has a natural talent for both. With the help of his new friends, Lin Feng begins to train and cultivate his powers. He also starts to uncover the secrets of his past, and he learns that he is destined for a great destiny.

The Tian Trilogy is a coming-of-age story that follows Lin Feng's journey from a lost soul to a powerful cultivator. It is a story of redemption, friendship, and sacrifice. It is also a story of hope, as Lin Feng learns to overcome his past and embrace his future.
