In her debut collection of essays, *Nothing Good Can Come From This*, Kristi Coulter explores the dark side of human nature with honesty, humor, and a unique perspective. Coulter writes about everything from her own experiences with mental illness to the horrors of war, and she does so with a raw honesty that is both refreshing and unsettling.

Coulter's essays are not for the faint of heart. They are often dark, disturbing, and even violent. But they are also incredibly well-written and thought-provoking. Coulter has a gift for language, and she uses it to create essays that are both beautiful and haunting.

One of the things that makes Coulter's essays so unique is her ability to find humor in the darkest of situations. She writes about her own experiences with mental illness with a self-deprecating wit that is both

disarming and heartbreaking. And she finds the absurdity in even the most horrific of events, which can be a much-needed relief in a world that often feels overwhelming.

*Nothing Good Can Come From This* is a powerful and unforgettable collection of essays. Coulter's writing is honest, raw, and often funny, and she offers a unique perspective on the human condition. These essays will stay with you long after you finish reading them.

### **About the Author**

Kristi Coulter is a writer and editor from the Midwest. Her work has appeared in *The Rumpus*, *The Nervous Breakdown*, *Salon*, and elsewhere. She is the recipient of a Pushcart Prize and a Rona Jaffe Foundation Writers' Award.
