In the small town of Willow Creek, Father Michael Costello is the beloved pastor of St. Mary's Catholic Church. But when a series of strange and disturbing events begin to plague the parish, Father Costello realizes that something sinister is at work.

Parishioners start to behave erratically, speaking in tongues and exhibiting signs of possession. Objects move on their own, and the air is thick with an oppressive sense of evil. Father Costello knows that he must act quickly to save his flock from the forces of darkness.

With the help of a skeptical police officer and a team of exorcists, Father Costello sets out to confront the demonic forces that have invaded Willow Creek. But the demons are powerful, and they will stop at nothing to destroy Father Costello and his parish.

As the battle between good and evil rages, Father Costello must face his own demons and find the strength to save the souls of his parishioners.

### **An Excerpt from Saving Souls**

"The demon's eyes glowed with an unholy fire, and its voice was like the grinding of stones. 'You cannot defeat me, priest,' it hissed. 'I am the prince of darkness, and I will destroy you and your church.'

Father Costello raised his crucifix high. 'I cast you out, unclean spirit!' he commanded. 'In the name of the Father, and of the Son, and of the Holy Spirit.'

The demon let out a deafening roar and writhed in agony. Then, with a final scream, it disappeared into the darkness.

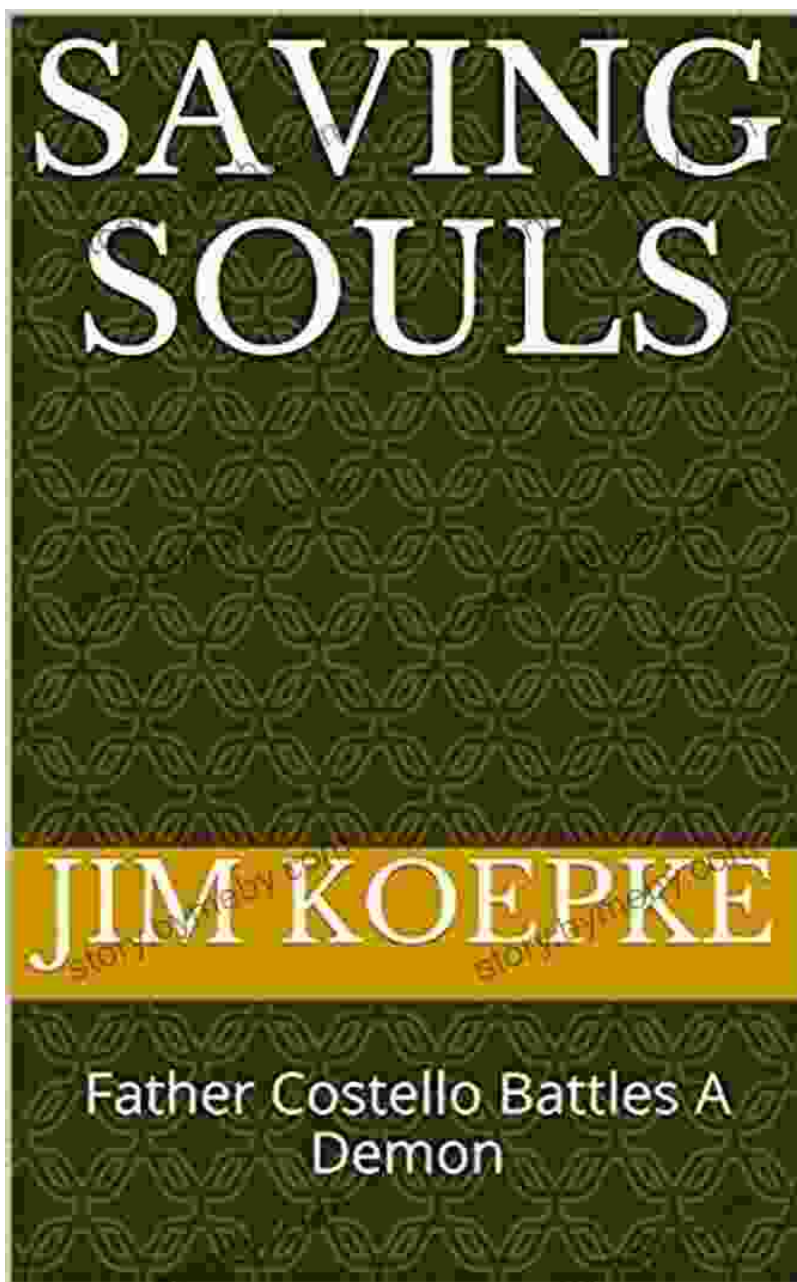

Father Costello had saved his parish from the forces of evil, but he knew that the battle was far from over. The demons would be back, and they would be even more powerful.

But Father Costello was not afraid. He had the power of God on his side, and he would not rest until he had defeated the forces of darkness and saved the souls of his parishioners.
