## What is the T.A.B.E.?

The T.A.B.E. is a standardized test that measures adult education skills in reading, mathematics, and language usage. It is used to assess progress in adult education programs and to determine eligibility for certain programs and services.

The T.A.B.E. is offered at two levels: Level 11 and Level 12. Level 11 is designed for adults who are below grade 12 in reading and mathematics.

Level 12 is designed for adults who are at or above grade 12 in reading and mathematics.

## **What is on the T.A.B.E.?**

The T.A.B.E. consists of three sections:

1. Reading
2. Mathematics
3. Language Usage

The Reading section measures your ability to understand written text. The Mathematics section measures your ability to perform basic math operations and solve problems. The Language Usage section measures your ability to use correct grammar and punctuation.

## **How to Prepare for the T.A.B.E.**

The best way to prepare for the T.A.B.E. is to take a practice test. This will help you identify your strengths and weaknesses and areas where you need to focus your studies.

There are many different ways to take a practice test. You can find practice tests online, in libraries, and at adult education centers.

Once you have taken a practice test, you can start to develop a study plan. Your study plan should include:

- Reviewing the material that you covered on the practice test
- Practicing the types of questions that you will see on the actual test

- Taking additional practice tests to track your progress

## Test Day Tips

On test day, there are a few things you can do to help yourself perform your best:

- Get a good night's sleep before the test
- Eat a healthy breakfast on the morning of the test
- Arrive at the test center early
- Bring a pencil and eraser
- Relax and take your time

By following these tips, you can increase your chances of passing the T.A.B.E. Level 11 or 12 exams. Remember, the key to success is preparation. So start studying today and give yourself the best chance to succeed.
