The book includes reproducible examples for practice and reinforcement.

This guide includes a wealth of reproducible examples that allow you to practice applying the grammar rules you've learned. These exercises are designed to reinforce your understanding and help you develop fluency in using grammar correctly.

Step-by-Step Instructions

GRAMMAR RULES

Grammar is the rules about how to speak and write in a language.

A list of five of the most common grammatical mistakes:

- 1 Subject Verb Agreement**
Learners often get confused with using the appropriate form of the verb with the subject of the sentence.
For example: 'I live in Thailand' and 'He lives in Thailand' is the correct subject verb agreement of the verb 'to live'.
- 2 Possessive Nouns**
Non-native speakers of the English are unsure about showing possession while writing or speaking in English.
For example: 'The book belonging to the girl' can also be referred to as 'The girl's book'.
- 3 Comparison of Adjectives**
We add 'er' to compare short adjectives like pretty and thick; and we add 'more' for longer adjectives like handsome and intelligent.
- 4 Punctuation Mistakes**
Punctuation errors, too, are very common, especially in the use of semicolons and commas.
- 5 Singular and Plural**
Many new learners make mistakes in forming the plural form of singular nouns.
